## SNAP Needs You to Volunteer

The 6th Area Support Group's Safe Neighborhood Awareness Program is in desperate need of volunteers. The program needs at least 10 volunteers to get up and running. Similar to the Neighborhood Watch programs popular in the States, SNAP calls upon community members to provide additional eyes and ears for force protection and crime prevention. SNAP volunteers will be trained and partnered into teams of two. They will patrol their neighborhoods and report suspect activity or situations to local military police officers. The volunteers are not expected to intervene in a situation, but rather to notify the proper authorities. For details call the Provost Marshal's Office at 430-5262/civ. 0711-680-5262.
